STUDENT AGREEMENT ESTHETICIANS

to the constraints of the ADVANCED NECK & FACE Course for Estheticians
in the Dr. Vodder method of Manual Lymph Drainage

MLD as taught to Estheticians by the Dr. Vodder School is not a massage therapy technique. MLD is a light manual technique used on surface tissues of the neck and face to enhance beauty.

- 1) I agree to work within my current scope of practice, recognizing that I am not qualified to use the Dr. Vodder MLD techniques for anyone with a damaged lymph system.
- 2) The copyright of any material that has been supplied during my training with the Dr. Vodder School International / Dr. Vodder Academy International, remains the property of the Dr. Vodder School, and the certified Instructor presenting the material.
- 3) Respecting the authority of the Dr. Vodder School International / Dr. Vodder Academy International, I will not teach the techniques I have learned to other therapists and will not claim to teach MLD until I have completed the training according to the Dr. Vodder School International/Dr. Vodder Academy International instructor training program.
- 4) If my purpose for training in this method is to aid a relative who needs continuing Manual Lymphatic Drainage, I agree to apply my training only to this relative.

*The Dr. Vodder School / Academy does **not** share or sell student contact information to outside groups or individuals. Do you consent to the Dr. Vodder School / Academy contacting you via email about upcoming courses and products available? (please circle one) **Yes / No***
